NEW YORK

The Most Insane Perks at 9 NYC Hotels

By **KELLI ACCIARDO** | FEB. 8, 2018

Wi-Fi and a minibar are old news. Customized pillows, chauffeured black cars and room service from a Michelin-starred chef? Now we're talking. We decided to investigate some of the most unique concierge offerings at hotels around town—they range from thoughtful and convenient to millionaire-level extravagant.

SIGHTSEEING JOGS AT RESIDENCE INN BY MARRIOTT

Fitness junkies will love staying at any of the four Residence Inn [properties in NYC](#), since they hold curated “RI Runs” in partnership with Under Armour's MapMyFitness app. So if you have limited free time and want to break a sweat *and* take in the sights at the same time, this touristy workout is perfect for you. The routes pass by NYC’s top attractions like the World Trade Center, 9/11 Memorial & Museum and Alexander Hamilton U.S. Custom House in Battery Park.
